COMMON QUESTIONS

Can I include additional beers in the package?

Absolutely! Please let us know upon booking and we would be happy to supply you with as many additional beer tokens as you like for \$5 each. Tokens can be redeemed for any 10oz or 12oz beer.

Can I choose my own beer for the welcome beer, tour beer or tasting flight?

Typically, the beer styles will be pre-selected for you by the Left Field team member who is booking your event. If you have any special requests, please let us know upon booking and we will do our best to accommodate.

Which dates are available to book?

We can accommodate group events Monday - Thursday evenings from 6 to 9pm. Please refer to our availability calendar at leftfieldbrewery.ca/contact-us for specific dates. We do not book events on Fridays, Saturdays or Sundays.

Can my event run later than 9pm?

Technically, you can stay until 9:45. We stop serving beer at 9pm sharp and clear all alcohol at 9:45. This timing is a requirement of our liquor license and cannot be changed.

What type of seating do you have?

The semi-private event space includes four folding plastic picnic tables that each sit 6 to 8 people comfortably. Folding tables and chairs can be added on an as-needed basis.

What do you mean by “semi-private”?

The event space is adjacent and open to the brewery Tap Room, Bottle Shop and brewery production floor. While brewing is not typically taking place during event

hours, the Tap Room and Bottle Shop will remain open to the public. We do not offer table service, all beers are ordered at the bar which is shared between the event space and Tap Room.

Do you offer food?

While we do offer light snacks such as chips, cheese and pepperettes, we do not serve food at the brewery. We like to leave the food in the hands of the experts and focus on what we know best – beer! You are welcome to bring in your own food or to arrange catering for your event. We do serve soda and cold brew coffee as non-alcoholic choices.

Can you supply audio visual equipment?

We do not have any projectors, audio equipment or microphones available. If you wish to bring in your own equipment, please discuss these arrangements with a Left Field team member at the time of booking.

Can I decorate the space for my event?

Decorations are welcomed and encouraged, though we ask that you do not use confetti.

Can you refrigerate my cake or other food item?

Definitely! A Left Field team member will assist you in getting your belongings in and out of the fridge. There is no freezer, oven or microwave available on site.

Other?

Please provide us with as many additional details as possible so that we can assist you with booking and planning. We look forward to hearing from you!
