FREQUENTLY ASKED QUESTIONS

What do you mean by “Semi-Private”?

The event space is adjacent and open to the brewery Tap Room, Bottle Shop and brewery production floor. While brewing is not typically taking place during event hours, the Tap Room and Bottle Shop will remain open to the public. We do not offer table service, all beers are ordered at the bar which is shared between the event space and Tap Room.

What happens if my group is larger than 45 people?

Due to a limited capacity, we are unable to accommodate groups larger than 45 at this time.

I'd like to book the entire brewery for a larger, private event. Is that possible?

We do not book private events at this time.

Which dates are available to book?

For availability, please refer to our availability calendar [HERE](#) for specific dates.

Can I choose my own beer for the flight tasting?

Typically, the beer styles will be pre-selected for you by the Left Field team member who is booking your event. If you have any special requests, please let us know upon booking and we will do our best to accommodate.

What type of seating do you have?

The semi-private event space includes four beer hall style tables and benches that each sit six to eight adults comfortably. Barrels, folding tables and chairs can be added on an as-needed basis.

Can I decorate the space for my event?

Decorations are welcomed and encouraged, though we ask that you do not use confetti or sparkles. This includes sparkle and/or confetti filled balloons.

Can you refrigerate my cake or other food items?

Definitely! One of our team members will assist you in getting your belongings in and out of the fridge. There is no freezer, oven or microwave available on site. Fridge space may be limited.

I'd like to book Sunday morning for a kids birthday party.

Amazing! Please note the following things: There must be at least 15 adults (19+) in attendance for all bookings. Maximum capacity is 45 people.

We will ask your group at 12:30pm to condense tables in order to allow space for walk-in guests. We do welcome characters and entertainment for childrens parties with prior approval.

Child Safety

We understand that parties are exciting, but for everyone's safety, it's important that children are not running in the space or touching brewery equipment. Children must be accompanied by and supervised by an adult at all times, especially near the garage door, brewing equipment and furniture. No climbing, please! Please note that we are not responsible or liable for any injuries resulting from the risk factors listed above.

Outside Food & Beverage

We welcome outside food, however outside beverages are not permitted. We do offer a variety of non-alcoholic options.

Accessibility

While our front entrance is up two steps, our side entrance, located at grade, provides direct access to our Semi-Private event space. If you have any accessibility requests or require accommodations, please let us know in advance and we will do our best to support you.
